Small Plate Taster Menu

This superb supplementary Menu gives everyone the opportunity to sample our fantastic range of unique flavours in an exciting Tapas style presentation.

We recommend ordering 2 or 3 small Plates per person, plus extras from the Side Orders section.

In true Mediterranean style our dishes are served when ready and in no particular order. Perfect for sharing with a companion.

Please note

*We are unable to mix and match this Small Plate Menu with our Main Evening Menu. We will therefore ask all diners at a table to agree on **one** Menu, on arrival or when you make a reservation.*
